The largest urology practice in Arkansas, offering the latest technology innovations

With a team of esteemed physicians and staff, Arkansas Urology is one of the most respected urological practices in the region, providing patients with high quality, innovative care.

Challenges

-  With no reviews for one location and only 7 reviews at another, plus a poor star rating, Arkansas Urology had no reputation management strategy before utilizing NextPatient.

Results

In just 30 days, Arkansas Urology increased their number of online reviews by 12x and boosted the star rating to 4.5+ for both locations.
